

REACH DECLARATION LETTER

D-Link Corporation ("D-Link") acknowledges European Union's Regulation (EC) No 1907/2006 on the Registration, Evaluation, Authorization and Restriction of Chemical Substances ("REACH") aims to improve the protection of human health and the environment through the better and earlier identification of the intrinsic properties of chemical substances.

To address the requirements of REACH and to ensure a reliable ongoing supply of parts, D-Link suppliers have been requested to assess the potential presence of any substance on the REACH Substances of Very High Concern ("SVHC") candidate list.

The substances on the REACH SVHC candidate list in concentrations greater than 0.1% by weight per article are listed below:

Substances	CSA No.	Individual articles affected	Application
Lead monoxide (lead(II) oxide)	1317-36-8	Resistors in D-Link products may potentially contain lead monoxide above 0.1 % by weight.	Hardener in chip resistor
Lead	7439-92-1	Transistors, diodes in D-Link products may potentially contain lead above 0.1 % by weight.	Solder, substrate

This declaration represents D-Link's knowledge and belief based partially on information provided by third party suppliers
